B. Grantor intends to transfer and grant certain of these Reserved Rights to Grantee.

GRANT

NOW, THEREFORE, for adequate consideration, the sufficiency of which is hereby acknowledged, RANCHO SAN CARLOS PARTNERSHIP, LP, a California limited partnership ("Grantor") hereby grants tot he SANTA LUCIA COMMUNITY SERVICES DISTRICT, a California Special District, ("Grantee") the reserved rights contained in section 3.1, 3.2, 3.3, 3.4, 3.4.1, 3.4.2, 3.4.3 and 3.6 of Document No. 9989943, Record Date 12/07/1999; Document No. 2000069613, Record Date 10/24/2000; Document No. 2002053447, Record Date 6/05/2002; Document No. 2005071050, Record Date 7/13/2005; Document No. 2003144993, Record Date 11/26/2003 Official Records of Monterey County, California Official Records of Monterey County, California, more particularly described as follows: *EXHIBIT A*

"3. Reserved Rights

RESERVING UNTO GRANTOR the following rights and interest in and to the Subject property, which rights shall not compromise the monitoring and enforcement authority of the Grantee and its successors in interest as provided herein, and which rights shall be

exercised by Grantor and Grantor's successors in interest in such a manner as reasonably to minimize damage to the Protected Values caused by such exercise, and in such a manner as to best preserve and protect the Protected Values:

3.1 Approved Infrastructure and Accessory Uses

The exclusive right to develop, construct, install, improve, maintain, repair, use, relocate and replace approved public or private roads, driveways and bridges approved or required by the County of Monterey for ingress to and egress from the Homelands and Rancholands of the Santa Lucia Preserve, drainage and flood control facilities, utilities, approved septic tank drainfields, pedestrian, hiking, bicycle and equestrian trails, recreation and camping facilities (hereinafter referred to as "Project Infrastructure"), and the non-exclusive right to construct, install, improve, maintain, repair, use, relocate and replace fences, fuel management zones, firebreaks, and fire-safe zones (hereinafter referred to as "accessory Uses"), all as necessary or appropriate for the full development of the Approved Project in accordance with the Conditions of Approval.

3.2 Utilities

The exclusive right to construct, maintain, repair, use and replace facilities for the conveyance of utility services, including but not limited to, water (including, but not limited to, water wells, storage tanks, treatment facilities and pipelines), sewer, natural gas, electricity and communications and appurtenances thereto approved or required by the County of Monterey for the approved use and development of the Approved Project; and non-exclusive easements as necessary or appropriate over, under and across the Subject Property for such facilities.

3.3 Removal of Natural Materials

The exclusive right to remove baserock and aggregate from Parcel K of the Subject Property exclusive to use on the Approved Project and limited to 425,000 cubic yards of material. Such removal shall be conducted in accordance with the grading permit issued by the County of Monterey, shall not have long-term, unmitigated, significant adverse impacts on the Protected Values, and the affected borrow, quarry or extraction site shall be restored at completion in accordance with the provisions of the approved Erosion and Sedimentation Control and Revegetation Plan (Bellinger & Foster Landscape Architects, 1998).

3.4 Tree & Wood Removal

The selective and limited removal of standing live trees due to the construction of infrastructure (roads, driveways, utilities, etc.) for the Project in accordance with the FMP and the Conditions of Approval, and selective and limited removal of downed trees and wood exclusive to use on the Approved Project, provided that in all cases such removal does not increase erosion, sedimentation or adversely impact the Protected Values in any potentially significant way and shall otherwise be in accordance with the RMP.

3.5 Water Rights

3.5.1 Except as specifically provided herein, all right, title and interest without limitation or restriction in and to water rights including, but not limited to,

tributary and non-tributary water, and specifically including the right to take and use water from Moore's Lake located on Parcel F for the beneficial uses on all or portions of the lands of the Santa Lucia Preserve as described in the Plan, and related water rights in, on, under, or appurtenant to the Subject Property, provided that such water rights are exercised within the Project and are used in compliance with the Conditions of Approval.

- 3.5.2 The exclusive right to construct, operate, maintain, repair and replace wells and necessary appurtenances (including, but not limited to, pumping stations, treatment and storage facilities, and pipelines) on the Subject Property for the purpose of providing domestic, irrigation and fire protection water for the permitted uses on the lands of the Santa Lucia Preserve as described in the Plan; and non-exclusive easements as necessary or appropriate over, under and across the Subject Property for such facilities, provided that such water rights are exercised in compliance with the Conditions of Approval.
- 3.5.3 Notwithstanding the provisions of Section 3.5.1 above, the following water rights appurtenant to the Subject Property are conveyed by this deed and not reserved therefrom: a) riparian rights which are hereby preserved in the Subject Property; b) rights to use and maintain existing certified stock ponds on the Subject Property for livestock watering use and use incidental to livestock use, subject to the provisions of Section 122 et seq. of the California Water Code; and c) the right to receive water service from the water system operated by the Santa Lucia Community Services District at no cost to Grantee.

...

3.7 Ranch Roads

The right to use and maintain existing dirt ranch roads located within the Subject Property for public safety and emergency ingress and egress purposes. "
